

# OUR COVID-19 COMMUNITY PROMISES

As a community, we understand that our choices, both at and away from home, now affect the Spartek community. While there's no guarantee, we recognize that our collective choices and habits will help us minimize the risk of transmitting any illness. Therefore, we agree to uphold, to the best of our ability, the following promises:

## OUR COMMUNITY PROMISES:

- I/We will, as is feasible, practice physical distancing, wear masks in populated spaces, and vigilantly practice self-care all in an effort to avoid contracting COVID-19.
- If anyone in my family shows [signs or symptoms of COVID-19](#) or has a positive COVID-19 test, we will notify Spartek's Head of School and self-quarantine for two weeks.

## PARENT PROMISES:

- I understand that [taking my temperature daily is paramount](#) because children may not show signs of infection. Therefore, I will check my family's temperature before leaving home, or at the very least, in my vehicle upon arrival to Spartek. If my temperature is above 100.4° F, I will stay in my vehicle, keep myself/my child home, get tested, inform Spartek's Head of School, and self-quarantine.
- If/When I enter Spartek, I will enter wearing a mask after a preliminary temperature check.
- For my Spartan(s), I will model the heroic "can-do" attitude of perseverance, humility, and generosity of spirit.

## GUIDE PROMISES TO PARENTS:

- Except when eating physically distanced, we will wear masks at all times when guiding in studios and within 3 feet of Learners and parents.
- We will provide regular opportunities for students to be outdoors (e.g. lunch times/free play/PE, and occasionally during core skills
- If we notice any COVID-19 symptoms, we will contact parents immediately, and invite the possibly infected student to self-isolate comfortably in the wellness area.

## SPARTAN EXPECTATIONS:

- ALL students will wear masks inside, except while eating.
- OUTDOOR MASKING is based on family-preference.

I/We the undersigned understand and assume responsibility for the risks associated with our child/ren attending school in-person or hybrid.
